How was the first day of school?
My first day was on August 22nd and I'm having a blast. Ball is great and very competitive just how I like it. I have 3 room mates and they are all very nice and outgoing girls. I don't think I ever had the chance to thank you for everything last year, so I thought I would take a minute to let my appreciation be known. Although I miss Northview to death I must admit I love the atmosphere in Florida and the southern hospitality.

Thanks once again,
Elise Powell
